EXCLUSIVE - Villa Maribel is an impressive yet compact 2 bed, 2 bath detached villa with pool, terracing and a large parking area positioned on a front, corner, double urban plot on Cortijo Romero. With some recent upgrades and improvements this property offers privacy, panoramic views, future potential and all urban amenities like tarmac access, mains sewerage, water and electric. The property has a feature turret which allows plenty of light to flow inside through the six windows and has been in situ since 2004. There are both open and a small covered terrace around the property itself then some gentle steps lead down to the pool area which has sufficient terrace and two store rooms nearby. The plot is fully fenced and secured with a gate
