WOW! Villa Lake Vinuela is a very impressive, newly reformed, modern detached villa with large pool, spacious terraces, an oversized garage and many many features and additions. The location is absolutely idyllic with possible the best, front row, corner plot available as this was originally the developers choice 16 years ago. Since then it has been completely revamped from plumbing and wiring to upgraded flooring both inside and out, a new pool and a complete open plan layout ( Kitchen pictures are computer generated but the services are in place for such a design - Not Included in current price.) The living area allowing oodles of light from the glass curtains which are the only material between you and THE VIEW!!!! With four ensuite spa...(Ask for More Details!)
