Villa Panoramica is a 16 year old well established 3 bedroom villa, located on a top corner plot nestled between the village of Vinuela and Puente Don Manuel, with nothing but olive groves behind it. There is an 8 x 5 m2 kidney shape pool with terracing all around it, the views from here are panoramic and south west facing. There is a store room under the pool and to the side of the house there is a very useful utility/store room with water and electric. The main house is located up a flight of stairs to a large covered terrace, where there is a brick built bbq and patio doors to the main living area. The lounge has high vaulted ceilings, a wood burner and an AC unit. There is a brick built arch into the separate dining room and a further a
