Casa Carmen - stylish renovated village home in Periana. Is a spacious, fully urban village property enjoying a central yet surprisingly quiet position in Periana, within easy walking distance of shops, restaurants, bars and everyday amenities. Extensively renovated to a high standard, the property is approximately 85-90% complete, with the majority of the major work already finished. The remaining kitchen, bathroom and decorative finishes allow the new owner to complete the home to their own taste, with many new appliances and fittings already included. The property offers a bright open-plan living and dining area, separate kitchen, two bedrooms, two bathroom areas and the potential to easily create a third bedroom or home office. Featur
