Apartment Fernandez is located at the entrance to Periana village, and is just one of twelve units in a very well presented urban , block of apartments. Its located on the top floor and has a corner plot, consisting of 3 beds, 2 bath, lounge/ Diner and a good quality separate kitchen which is fully equipped with many solid wood units and all appliances are INCLUDED. There are 3 bedrooms all with wardrobes and two have panoramic views and AC. The lounge has a feature window with a lake view and a rare open fire place for an apartment. It is all in good condition with the added extras of a secure 6m x 3m garage and the largest store room within the complex which currently houses a small gym. All with title deeds and fully urban.
