Adosado Valentin - Is a large and very centrally located 4 bed, end of terrace townhouse and private garage and workshop, with all amenities within walking distance. There is a front terrace and good size porch with great views toward the mountains. You enter the property into a hallway where there is a useful entrance hall. The spacious and detached kitchen has granite work tops and plenty of unit space. The lounge / diner has patio doors onto a large, extended southerly facing, covered terrace. There are steps down onto a small garden area, which then leads further down to the garage, which has a store room and workshop area. The four bedrooms are on the second floor, via a marble staircase. One of the bedrooms has been extended and one o
