Casa Quinta is a very special property in the centre of Periana, within walking distance to all amenities. It is a fully reformed 3 bedroom, 2 bathroom village house with a large garden and swimming pool. Most of the living area is on the first floor. The kitchen has wooden beams for effect and is fully equipped with ample storage units, washing machine and a range cooker. The lounge/diner is a good size with air conditioning and central heating. The first bedroom leads off of the lounge and has original beams on the ceiling, hand made fitted units and wardrobe, AC and central heating. There is also a bathroom on this level which has been reformed with good quality fittings and tiles. There is a double door that leads out into the garden, w
