Exclusive: Casa Saskia is on a corner plot of a very popular urbanisation with good access off of a tarmac road. The plot is fully walled and there is a gated entrance with off road parking and a brick built shaded car port. Outside the gardens are well maintained with Spanish succulents and there is a very useful storeroom with solid wood doors. The large lounge/diner has a wood burner, AC unit and patio doors that lead out onto a glazed terrace area which receives the sun all day long. From the lounge area there is a brick built arch to the kitchen which has lots of unit space, granite worktops and a beautiful wood stable door to an out door covered terrace, perfect for entertaining. The pool is a large 9 x 5 m2 which is an above averag
