Studio Alzabel is a penthouse studio in the centre of Puente Don Manuel, within walking distance to all shops, bars and restaurants. Situated on the top floor, you access the studio via stairs or there is a lift. The studio apartment has ducted air-con and is fully equipped and is finished with high quality flooring, windows and doors. The kitchenette has wood units, a granite top and small hob. The main living area is quite big at 46m2 and fits a double bed, wardrobe, sofa, dining table and there is a shower room. There are windows the whole length of the studio, making it very light. The outside terrace is 20m2 and has south facing views to the surrounding area. This a great opportunity for somebody looking for something very central.
