Casa Daymar is a unique property on a very popular urbanisation, close to all amenities. The house stands on a large plot of 1,000m² and has a gated entrance with printed concrete driveway. There is plenty of parking and a garden filled with trees and plants to the front of the property. Also at the front of the house is a useful wood store and a covered terrace with arches all around, perfect for the hotter months. There are more outdoor dining areas around the side of the house and pool area that receive the sun all day long. The 8 x 4m² pool and front terrace are south east facing with impressive views to Mount Maroma and the village of Alcaucin. The pool house is below the pool with another garden in front and a 2nd entrance to the pro
