Apartment El Mirador is a 2 bedroom property, located below the village of Alcaucin, within walking distance to all amenities. The apartment comes with a car parking space and store room and there is a lift to each level, as well as an internal staircase. The bathroom is modern with a bath and over head shower. The two double bedrooms are a good size with ceiling fans and views to the surrounding mountains. Each room also has an oil filled electric radiator, ideal for the cooler months. The kitchen is separate with wood effect units and a granite work top. The lounge/diner is very light, with patio doors that face south west and receive the sun most of the day. This apartment would suit someone looking for a holiday home thats ready to move
