Villa Mirador Axarquia is a large property of 300 m² with six bedrooms, close to the village of Alcaucin with all of its amenities. It has an automatic gated entrance and 'walk in' side entrance. It sits at the end of a no through road, making it very peaceful. There is an 8 x 4 swimming pool with lots of terrace space for sun loungers and dining. On the bottom floor you have a sun room ideal for dining and a self contained two bedroom apartment with bathroom and kitchenette. There is a garage with a manual door that has all of the workings for the house and pool. Also on this level you have a cloak room, kitchen and lounge/ study area. The kitchen is of a high quality with plenty of unit space, granite tops and range master cooker.
