Casa de la Luz is a one level 2 bedroom 2 bathroom villa, located on a private track with a fully fenced and hedged plot of 4,500 m². The entrance is gated and there is plenty of room for parking. Above the main house there is a detached garage and workshop with plenty of storage. From the garage down to the main house is an attractive ivy tunnel. Outside there are plenty of shaded and sunny seating areas and there is a fountain with plenty of flat area around it to landscape as you wish in the future. There is a large terrace to the side of the house with toldos for shade and also a covered rustic winter terrace with a woodburner. At the back of the property there is an outdoor shower and a covered bbq area. The main house consists of a la
