Casa Bonita is a stunning property, fully furnished and located close to Los Romanes. It benefits from stunning views to Mount Maroma and Lake Vinuela and is finished to an exceedingly high standard. Impressive wrought iron gates open onto terraces with breathtaking views and an infinity pool reaches out to the mountains. The property has been recently re painted and additional land around the house ensures complete privacy. A central hallway opens out into a bright living / dining room, complete with log burner, and a large glass door leads out onto the covered terrace with ample room for outside entertaining. The stylish, contemporary kitchen has quality appliances, Siemens and Samsung, and ceiling downlighters accent the modern feel.
