Land in Puente don Manuel

€ 95,000

0	0	350m²	700m²	N/A

Exciting opportunity to purchase 2 plots of urban land within walking distance of amenities. Each plot is competitively priced at 95,000e The land is situated on a popular urbanisation in Puente Don Manuel with views to Mount Maroma. The urbanisation consists of various types of residential properties ranging from single storey villas to large 3 storey townhouses on a recently tarmacked road. Each plot would be suitable for the construction of an individual villa or alternatively, the current owners have provisional plans in place to create 2 builds, each having 3 units suitable for the rental market. This (rarely available) urban plot offers a wealth of building options. Ask for more details……..
