Villa Buenavista - is a beautifully renovated detached 4-bedroom villa occupying a generous corner plot within an established urbanisation in Puente Don Manuel, within walking distance of local amenities, with two independent living areas and heated microcement pool. The property has been cleverly divided into two completely self-contained living areas, each offering two bedrooms, a lounge, modern fitted kitchen, bathroom facilities and independent access. Both levels benefit from air conditioning, attractive terraces and quality finishes, with the lower level having undergone a particularly comprehensive renovation. Outside, the fully enclosed plot features a heated swimming pool, spacious sun terraces, covered dining areas, retractable
