Alcaucin is a charming, white washed village close to the national park with breath taking views of the surrounding countryside. The location is Idyllic and very central with all amenities on your door step. It is also only 30 minutes drive from the coastal resort of Torre del Mar and under an hour to Malaga airport. The public pool is a short walk away and open during high season. There are two bedrooms, one bathroom, a small kitchen and a good-sized lounge. The property is in need of some work, this is reflected in the price.
