Casa Albalote Alta is a spacious and well maintained villa of 162.43 m² over two floors. The villa is divided on the upper floor into a large winter garden, a living / dining room with fireplace (including insert), an open, fully equipped kitchen with hob, oven, microwave, refrigerator / freezer, dishwasher, a pantry with washing machine, a hallway, two bedrooms with fitted wardrobes and a bathroom with shower. From the large conservatory you may access the gated pool terrace which has a rectangular swimming pool 8 x 4 m, a large storage room, a guest toilet and outdoor shower. Via an external staircase you reach the ground floor with a further terrace as well as a barbecue and a pergola covered seating area, here also situated the guest ap...(Ask for More Details!)
