Casa Renate is conveniently located within walking distance of Alcaucin village and positioned on an urbanisation below the village itself. A low maintenance property, do not be led astray from the fact that its only has two bedrooms because the large 60m² under build has been fully tiled and rendered and needs only one partition wall to make this property a comfortable four bed villa. The main living area is on the ground level with off road parking and low maintenance gardens. The front terrace boasts open views and a fantastic alfresco seating area with views towards a distant Lake Vinuela. There is a large four person jacuzzi on the lower terrace accessed via an external staircase. From here you can access the lower floor which is curre...(Ask for More Details!)
