Listed exclusively with villasolutions: Casa la Maseta is a large and impressive property located walking distance from ALL local amenities. Connected to all services and a new tarmac road due to be in place directly outside by the end of 2016 this two storey property is situated in the middle of a level plot which is fully fenced and walled with two entrance gates. Landscaped for low maintenance, with automatic irrigation systems in place and an oversize car port for up to 4 vehicles. At present the main living space is on the upper level which consists of a glazed covered terrace with a mountain view, spacious kitchen fully equipped with granite work surfaces, lounge with reversible AC, a large bathroom, and two generous bedrooms with fit...(Ask for More Details!)
