Casa Solano Alto is essentially two properties within one. The current Spanish owners designed this property in a way that there are two fully self contained apartments , one on each level, with extensive Westerly views spanning right over the Alcaucin valley and mountains towards Lake Vinuela. A very quiet, no through road with tarmac access and all mains services this detached property is nestled into the mountain side and therefore protected from the northerly winds. There are two off road parking spaces and the property has generated a good income for keen walkers/ cyclists and bird watchers who have access to the National Park within minutes. The development is complete and legal plus the village amenities are just a short walk away al...(Ask for More Details!)
