Villa Macapa is located just on the outskirts of the white washed village of Alcaucín, only a five minute walk to all amenities, bars and restaurants. This villa has a spacious private concrete parking area, with fencing all around and retaining walls, with spectacular west-facing mountain and lake views. This property is on two levels; The bottom level consists of two good size bedrooms, both with patio doors leading out in to the front garden, one of which with fitted wardrobes, and the general bathroom. The top level consists of an outside workroom/storeroom, a very private area with a lovely pool with an inverter unit, (meaning you can use the pool all year), and sitting area. Inside the property there is a big size living/lounge area, ...(Ask for More Details!)
