Exclusive with villasolutions: Villa Halcon is an extremely spacious, one level property located just below the white washed village of Alcaucin, on all main services and only a 10 minute walk to all amenities. This property is well established with a plot of just under 6.000 m2, mainly all flat, with a double car port and concrete driveway, south facing with stunning mountain views. Around the front of the villa you will find a good size BBQ casita, registered to the deeds with electricity connected, an 8 x 4 meter private pool with roman steps and very well established gardens with fruit trees and other plants, yet low maintenance. There is a large glazed terrace area, very light and great for winter to sit and enjoy the views. Inside the...(Ask for More Details!)
