Recently reduced! Villa Christina has a modern contemporary feel with amazing views across the Alcaucin valley. The huge outside space has several terraces and fruit trees and a large pool to the rear of the villa where you can enjoy great views but with complete privacy. At the front of the villa there is a large parking area as well as a recently added garage. You enter the property via a large covered terrace into an amazing open plan kitchen, dining and lounge area. The kitchen is a high quality Danish built kitchen with built in appliances. The lounge area has a commercial air condition unit which provides both cooling and heating for the whole area. There is also a very interesting Atrium that extends through both floors which allows ...(Ask for More Details!)
