400m<sup>2</sup>

Casa de Ensueno was built in 2005 and is located on the second phase of a popular, small urbanisation near Puente Don Manuel. This situation offers the open views over green olive groves with no risk of development in the near future. The front door is on the upper level which comprises of two spacious double bedrooms with reversible AC and fitted wardrobes. The master bedroom has patio doors which open onto the covered terrace, plus an ensuite bathroom room. There is also a second ensuite bathroom which accommodates the second bedroom. There is a spacious sitting/dining room (27 m<sup>2</sup>) with a high-beamed ceiling and a gas fire. The American-Style kitchen is fully fitted and equipped with ample, solid wood units and granite work surfaces plus ... (Ask for More Details!)
