Plot Buena Vista Dos. A rare chance to buy a fully urban plot of land with full planning permission for a 114.95m² three bedroom, terrace build with a swimming pool on a large roof terrace with open panoramic views. This is a rare opportunity to take on your own project but the current owners have designed these plans to suggest what could be done although this can be altered to the new owners specification so long as they fulfill the town halls limitations. The plot is located very close to local amenities in Puente Don Manuel and very level with all services in place. Here lies an opportunity to purchase both plots and build two properties to your liking, perhaps one or two rental options also.
