Villa Elaina is an impressive three bed, three bath property within seven minutes walk of Alcaucin and has fantastic Mountain and Lake views. Whilst it is an urban property, that comes with all the advantages of being urban including all mains services, it has a high level of privacy not usually found on urban plots. The entrance is off a tarmac road via electric gates and printed drive. This brings you to the front terrace and 8 x 4 meter pool that looks out over the amazing views. The villa its self benefits from double glazing throughout as well as air conditioning in each room. On the ground floor you will find a good size lounge with patio doors off to the pool terrace, another set off to the covered terrace. There is also a wood burne...(Ask for More Details!)
