Reduced ! Villa Ana is a very large 300m² Villa on the edge of the village Los Romanes, only a few minutes walk to all amenities. You can access the property up the external side stairs, through the garage with the internal stairs or there is a gate for car access. There are plenty of terraces that are south facing, with impressive views of Lake Vinuela and the surrounding mountains. The gardens are low maintenance with well established plants and palm trees. The pool is a good size and sits on the edge of the front terrace so you can take in the great views. There is also a very useful outdoor kitchen/ Casita area, with water and a bbq, near to the pool. There is a covered terrace which is where the front door is to the house, you enter in...(Ask for More Details!)
