Parcela Vista Del Lago is a very unique opportunity to buy a 2,000m² plot of land on an exclusive development, with permission to build a house up to 300m². The new urbanisation is 70% complete with large houses and new roads. It is Located only a short drive to the villages of Periana and Puente Don Manuel with all of their shops and amenities. The plot is near to the end of the urbanisation, front line, on a no through road, with spectacular south west facing views to the lake and distant views to the sea. It has all mains services in place, electric water and waste, therefore all ready to go for any building works.
