Villa Santa Maria is a one level property, located just off of the main road and a 2 minute drive to the village of Alcaucin, with all of its shops and amenities. The entrance is gated making it very private. There is a car port and low maintenance gardens with south west facing views and Mount Maroma as the back drop. To the right of the property is a decked area to take in the views and below is a useful storage space. There is a front porch that leads into the entrance hall with a cloak room. The lounge/dining area is a large space with ceiling fans, AC and radiators, there is also a very unique wood burner in the middle dividing them, it opens from each side depending which room you are in. There are patio doors from the lounge to a lar...(Ask for More Details!)
