New build opportunity > Villa Aviles Dos is an individual property located in an ideal situation just off the old Venta Baja road, walking distance to the amenities and restaurants of Puente don Manuel. The plot is completely flat with excellent access as well as off road parking and on a no through road with all mains services. . Mount Maroma sets the back drop from the front terrace and is East facing, therefore you can enjoy the sunrises. The villa is a single storey, well built property with quality tiles, doors and double glazed windows and patio doors. There are three spacious bedrooms all with fitted wardrobes, one has an ensuite bathroom and there is also a general separate shower room. There is a fairly big lounge with two sets ...(Ask for More Details!)
