Villa de las flores is at the end of a short track, with zero road noise and 100% privacy. The entrance is gated and there is enough room to park several cars. There are open and covered terraces to enjoy the sun or shade and the views are south facing, toward the surrounding mountain ranges. The gardens are well maintained and the land in front of the house has approximately 24 olive trees. There is an 8x4 m2 pool, a brick built barbecue, a good size garage and a large store room. You enter the property into a hallway and then just off of this space is a separate kitchen which has lots of quality units and silica stone work tops. The lounge is a good size with a marble surround fire place, AC and patio doors onto the outside terrace. There i...(Ask for More Details!)
