Villa Brison is an immaculate villa on a small development of 10-12 properties. All main services connected. The villa has a large driveway for off road parking of many vehicles. Securely walled and gated with the most fantastic uninterrupted views. There are lovely gardens above and below the property. Below the villa is a huge garage underneath which is registered to the property. The villa has a porch above the front door, once entered you have a hallway with very useful storage, leading to the living area which is of a very good size, air conditioning and a nice wood burner, patio doors out onto views and a great terrace. The kitchen is fully equipped with a good quality granite work tops and lots of cupboard space. There are 3 bedrooms...(Ask for More Details!)
