Villa Alemania is a well built detached villa in a quiet rural location but only a short 10 minute drive to all amenities. The property is fully fenced and gated with a short track. There is a large 12 metre heated pool, with an automatic cover, perfect for swimming all year round. There is also a double garage, half of which is now used as a workshop and there is a separate car port. Around the pool there are plenty of terraces and seating areas. The property is well built with high quality glazing throughout. There is a large covered terrace for out door dining with arches and toldos for shade. An orchard sits in front of the pool area with various fruit trees, a well and a brick built bbq. You enter the property into a small entrance hal...(Ask for More Details!)
