Casa Puesta del Sol is located on a popular development consisting of large prominent houses which is conveniently located in between the village of Vinuela and its amenities and Puente don Manuel. Connected to all mains services including water, electric, mains, sewerage and landline telephone. This property consists of two storeys with the upper allowing for general living space and the lower for the internal garage, utility area, two bedrooms, and a store room which could be a third bedroom. From this level you may access the pool and terrace. The rectangular plot is built for low maintenance. Views pan across to untouched olive groves. There is a terrace directly off from the lounge area which overlooks the pool and gardens plus more di...(Ask for More Details!)
