Villa Benita is an impressive German built one storey villa on a large plot with spectacular views of the mountains. It is located in the beautiful area of Los Kikos in the Alcaucin valley. This 15 year old immaculate property is very special in many ways; location, beauty, quality build and excellent finish. The access to the compound is through a large gated entrance that leads to the villa surrounded by large outside space with plenty of parking area, a wooden double car port, outside kitchen, garden with fruit trees and a solar heated 12 metre pool with an automatic cover. Villa Benita also has a double car garage with automatic doors, front porch, covered terrace leading to a large and bright living room with a fireplace and lots of wi...(Ask for More Details!)
