Casa Ponderosa is a one level property built on solid rock, fully gated and walled, with a short track, only 2 to 3 minutes off of the main road, with plenty of parking. The plot has lots of established plants and fruit trees and there is a large flat terrace around the pool. The views are of the surrounding country side and distant views to the Zafaraya pass. There is a glazed terrace with arched windows, ideal for dining in the cooler months. The entrance is via a solid wood door into a hallway with a guest cloak room. The lounge/diner is a great size and very light with lots of large windows. There is gas central heating, an electric fireplace for the colder months and an inverter AC unit. The kitchen is large with silica stone tops and lot...(Ask for More Details!)
