Apartment Purifileja Uno is a complete one bedroom property with a number of extras included such as: large 20m<sup>2</sup> terrace with sun blinds, external utility area, stainless-steel, fitted kitchen with granite work surfaces, fitted wardrobe, walk in massage shower, quality light fittings and pre installation for air conditioning as well as a large reversible AC unit in the lounge. Located below Alcaucin village and only walking distance to the community pool these high quality apartments were finished in 2007. South westerly facing this development was built by a very reputable area that has gone from strength to strength. With a secure, underground parking space included and lifts up to each of the three levels these low maintenance properties...(Ask for More Details!)
