Casa Gillian is conveniently located within walking distance of Alcaucin village and positioned on an urbanisation below the village itself. A low maintenance, westerly facing property which has a large, recently reformed under build which includes: an internal marble stair case, two large bedrooms plus a second lounge with kitchenette fitted with easy access onto the pool terrace. The main living area is on the ground level with off road parking and low maintenance gardens. The front terrace boasts open views and a fantastic alfresco seating area with views towards a distant Lake Vinuela. The pool is on the lower terrace accessed via an external staircase and there is a large tiled terrace which stretched the entire length of the plot. Fro...(Ask for More Details!)
