Casita Lucia is a two bed, two bath, detached property with a swimming pool, off road parking, and only a short walk to all main amenities. Inside the property you will find two good sized bedroom with built in wardrobes, one of which is E- suite, a separate bathroom, a good sized galley kitchen with granite work tops and breakfast bar, and a large open living room and dining room with a log burner, and two sets of French doors leading to the outdoor area, where you can find a low maintenance garden, fruit orchard and parking based on two levels. Leading round to the other side of the property you will find a fantastic pool and bar area surrounded by high quality patterned concrete, and a good sized storage room for extra space. This proper...(Ask for More Details!)
