Exclusively listed with villasolutions: Casa Azul is conveniently located within a 3 minute walk off the main commercial crossroads of Puente don Manuel. The plot is rectangular and fully walled. Upon entry through the wrought iron gates there is a large tiled garage on the ground floor. Walls have been rendered and there is access to water and electric, meaning that a conversion could easily be achieved. Via one flight of steps the main living area is based on the first level of this detached building, to include a westerly facing covered terrace, as well as the pool and back terrace. Inside is a large open plan kitchen/ lounge, including AC, wood burner and an open plan kitchen. All three bedrooms have fitted wardrobes, AC and fly screens...(Ask for More Details!)
