Casa Karibu is a fully urban one bed, one bath detached property, with beautiful low maintenance terraced gardens, off road covered parking, and only a few steps away from the beautiful Moorish baths, Baños De Vilo. Outside of the property you can find a carport with steps leading up to a good sized terrace, perfect for sunbathing, leading up another set of steps you will find another smaller terrace and garden surrounding the house, perfect for outdoor dining, and staircase leading to a good sized roof terrace, which offers beautiful panoramic views of the countryside. All terraces have ample room to install a small plunge pool or hot tub. Once entering the property you can find a light and open kitchen with a log burner, a good sized livi...(Ask for More Details!)
