**EXCLUSIVE:** Villa Las Marines is a very impressive, high quality four bed villa with a large double garage and 12m rectangular pool. The plot is 8761m<sup>2</sup> and the build is over 502m<sup>2</sup> over three levels. With ample parking, the main front porch is lined with typical Andalucian arches and a gated porch way leading to the front door. The villa has been planned around a central courtyard with pergola which can be accessed by large patio doors from the entrance hall, lounge and master bedroom. The spacious kitchen is equipped with solid oak units, granite work surfaces, and large fridge/freezer. Double doors lead into the lounge featuring a gas fire with carved stone surround and more patio doors leading out onto the covered terrace with panoramic vi...(Ask for More Details!)
