SOLD IN UNDER 24 HOURS: EXCLUSIVE LISTING WITH VILLASOLUTIONS: Cortijo Escondido is a very large, yet very well looked after villa, being around 200 m2 in build alone, and having approximately 5.000 m2 of land. There is plenty of flat land around the house with a number of olive trees but with a good amount of space for parking, or you could use the large double garage. Through the main entrance you will find a large hall way with a straight stair case leading up to the second level. On the lower level you will find four bedrooms, all large sizes with fitted wardrobes, double glazed windows, high ceilings, and three of them with en-suite shower rooms/ bathrooms. There is additional storage room under the staircase. Following the staircase
