VIDEOS ARE DIFFERENT TO CURRENT PROPERTY - Please ask your property experts for a detailed list of improvements hence the slight increase in price since 2019: Villa Esperanza is a good quality property, with all mains services, located with just 3 other villas at the top of a NO through road. The plot is 1,670m2 and is completely fenced and gated, with off road parking for 2 cars and a useful shed for storage. The garden is mature with fruit trees and little pathways to different sunny and shaded seating areas, it is 100% private with views towards Mount Maroma. The pool has recently been maintained with all new grouting and resurfacing. There is plenty of terracing around the pool and a new pergola to provide a shaded outside dining area.
