275m²

4.000m²

REDUCED BY 100,000€: Bed and Breakfast opportunity: El Refugio is a very impressive property located on the edge of the national park, nestled amongst 4,000m² of land, with distant lake views. There are automatic gates and a concrete driveway, with plenty of parking for several cars. The gardens are well maintained with plenty of olive trees, palms, seating areas and attractive landscaping, the pool is heated and a good size with a rock feature as the back drop. There is a court yard for dining, which all of the separate accommodation access on to. The property has a modern rustic feel to it with lots of bespoke features, including brick archways and quality wooden doors. All of the windows are triple glazed with security glass. The living
