Villa PradoSol is a new detached 3 bedroom villa in a location that is walking distance to all amenities within Puente don Manuel. It is situated on a corner plot on a new development with all mains services and South west facing views. The plot is secured with gated off road parking and security railings. There is an internal 7m x 3m meter,heated pool with new tiles and drainage surrounding it and artificial grass on both sides. Also on this level is an under build that is currently a store room but could be developed at a later date. There is a covered terrace and an open terrace ideal for outdoor eating, that access the house into the lounge/dining area. Inside the property is immaculate with quality tiles and furniture. There is a corne...(Ask for More Details!)
